Leadership Studies Internship Plan

Write a brief description of the type of leadership experience you would like to gain while in this minor. This should take place in an out-of-class setting where you can continue to learn about leadership while observing and/or gaining practical leadership and communication skills within a relevant professional organization. Forty-eight clock hours are required and may be performed on any mutually agreed upon schedule. The internship placement will be selected in consultation with your Departmental Leadership Studies Advisor. This requires considerable time and advance planning.
