

MISSISSIPPI STATE UNIVERSITY
Minor in Leadership Studies
Student Planning Form

The Minor in Leadership Studies is an interdisciplinary program designed to provide academic and experiential knowledge and skills to prepare students for future leadership positions in communities, professions, and organizations. This form will help you design a minor that fits your career objectives while meeting the basic requirements. Within each category, please select courses from the attached list of approved courses. You should meet with the Leadership Studies Advisor in your major department to discuss this plan. When approved, a copy will be kept on file for degree audit purposes so that the Minor in Leadership Studies will appear on your university transcript.
